SLERF - CHRONOLOGY

Year 1996

Som-Lalit Education and Research Foundation (SLERF) was established in May, 1996.

Our academic activities under the aegis of this trust commenced from August 12, 1996 with the following two programmes :

- (i) Post Graduate Diploma in Business Management - Two years full time programme leading to the award of PGDM.
- (ii) Post Graduate Diploma in Business Management - Three years part-time programme leading to the award of PGDM.

Both these programmes have been approved by All India Council for Technical Education (AICTE), a statutory body of the Government of India, New Delhi.

Year 1997

The trust started Three years Under Graduate Programme leading to a degree of Bachelor of Business Administration (B.B.A.). This programme is affiliated to Gujarat University.

Year 1998

The trust started another Two years Full Time Post Graduate Programme leading to the degree of Master of Business Administration (M.B.A.). On successful completion of this programme, the students are awarded the MBA degree of Gujarat Technological University.

Year 1999

The trust started Three years Under Graduate Programme leading to a degree of Bachelor of Commerce (B. Com). This programme is affiliated to Gujarat University. In 1999, the trust also started Three years Under Graduate Programme leading to a degree of Bachelor of Computer Application (B.C.A.). This programme is affiliated to Gujarat University.

Year 2000

The trust established a Partnership in Education with IBM to conduct computer related courses.

Year 2001

The trust established its own Information Technology (I.T.) Centre for imparting programmes for I.T. Application in Management. The trust established Centre for Management Development Programmes. Holding series of seminars to expand horizon on sunrise business sectors are regular annual features of the centre. To facilitate all the above programmes and associated academic and support activities, the respective institutes are housed in the Foundation's own spacious building of about 55,000 sq. ft. located centrally in the city of Ahmedabad.

Year 2001

The trust obtained a spacious plot of land measuring more than 6,000 sq. yards in Navrangpura Area, Near Sardar Patel Stadium – to develop another campus to provide quality education from Pre-Primary to Higher Secondary.

Year 2002

The trust undertook the construction of the spacious and ultra modern building measuring 1,15,000 sq. ft. and completed it in a record time of less than six months.

Year 2003

The trust established Jr. School – Pre-Primary and Primary (English & Gujarati Medium).

Year 2004

The trust started Secondary School (English & Gujarati Medium). With a holistic view to provide quality education to students from pre-primary to post graduation and guidance for research, the trust has coordinated its educational activities covering all the stages of education.

Year 2006

The trust started Higher Secondary School - English Medium (Common Stream).

Year 2007

In the continuous endeavor for providing excellence in education at various levels, the trust started:

- (i) Higher Secondary School - English Medium (Science Stream) with State of Art Laboratory and other facilities.
- (ii) Gujarati Medium (Common Stream) with modern facilities.
- (iii) Established College of Education (B.Ed.) approved by NCTE; a Statutory Council, Government of India and affiliated to Gujarat University.

MISSION

The Institute aims to contribute to the society by developing responsible managers and outstanding individuals who will take up leadership challenges in various sectors of the economy.

OBJECTIVES

- To help students develop knowledge, skills and attitude for dealing with business problems faced by managers.
- To help the students develop attitude to take up leadership challenges.

MANAGING TRUSTEE'S MESSAGE

At Som-Lalit, a name which has been synonymous in the area of management in Gujarat since the last two decades (1996) has always ensured that their students strive to reach their own peaks of success through excellence. The institute has cultivated an environment wherein students constantly strive to dynamically update themselves via research, creativity, out of the box thinking, innovation along with hard work to achieve their short term peak goals while reaching closer to their long term peaks.

As leading educators, our focus has been on grooming the students towards holistic development professionally and personally. The two year intensive program focuses on not just pure academics but also conducts corporate seminars and workshops, Industry expert talks, Skill development trainings, Industrial and Rural visits among other plethora of activities. Keeping the management culture in mind of inculcating values and professional ethics among our students, each student spends around 20 to 40 hours of their personal time on social initiatives. Our faculties, alumni and students are constantly making positive contributions to the society.

With strength of more than 3000 alumnus of SLIMS who are pursuing their dream careers in geographies across the globe in diverse industries and sectors, we present our 22nd batch that are ready to take the first step in the corporate world.

With this we would like to say that we seek the co-operation of all concerned to join hands in the cause of professional management education.

Pragnesh K Shastri

Managing Trustee
SLERF - Ahmedabad

FROM THE DESK OF DIRECTOR

With Immense pride and great pleasure I introduce the 22nd Batch of our Management students. Our diverse sets of students have undergone a two year intensive management program enabling them to become successful executive managers as well as leaders and able citizens.

Since its inception, more than 20 years the institute has constantly endeavored to create the program structure and pedagogy dynamically keeping the industry trends in mind as well as focusing on each of our student's professional and personal growth.

The culture of the institute of creativity, out of the box thinking, innovation, research and not just being academically inclined but focusing on the practical aspects of the industry has resulted in the constant updating of our program structure and pedagogy according to Industry needs. The faculties along with students capitalize on this environment and participate in research activities and management consultancy apart from academics. Since the ratio of the faculty to the student is significantly less, each faculty individually mentors respective students and ensure a positive growth of each participating management graduate enabling them to identify their own peaks of success. The combined efforts of the management and the faculties help in creating successful managers/ leaders and good citizens.

Sessions with the Industry experts, Industrial and Rural visits, Social Initiatives, using case study method in classrooms among others result in our students being Industry ready.

Our students undergo intense 8 week internship training in the corporate world in their chosen field. The students gain an understanding of the functioning of the Industry/Corporate as well as apply their management academic knowledge. The internship acts as a stepping stone towards their industry experience. In the second year of their management program, this internship changes their thought process and application towards their specialization and general management subjects.

Our institute believes in empowering our students resulting in a seamless transition from academics to professional. Most of the endeavors undertaken by the institute like conducting events like Horizon – a yearly event on Management Seminars, Spectrum – Students programs, Management quizzes, Seminars, Workshops are completely handled by the students with minimal faculty guidance and supervision. This brochure that our students have created showcases their batch and its achievement for your kind consideration.

I wish them all the very best in life and sincerely appreciate your presence to our institute.

Experience: 6 Years -(Digital marketing &
customized ERP development and process
automation) - IT Firm Entrepreneur

Mr. Jitendra Nenavani

Ph.D. (Pursuing in operations Management)
Experience: 2 Years
(Professional Experience : 2 Years in industry)

THE PEDAGOGY

The teaching methodology emphasizes interactive and participative learning through lectures, case studies, role plays, class presentations and simulation exercises. This necessarily entails extensive background reading and pre-class preparation. Eminent personalities from the industry are also invited to deliver lectures on different contemporary issues. Emphasis is also laid on teamwork through group exercises and group presentations.

EVALUATION SYSTEM

The Institute believes in continual evaluation and feedback. It is a measure of performance and means for motivation. Evaluation is done through assignments, case analysis, quizzes, projects, class participation and two examinations every semester - a mid semester and an end semester exam.

Student in PGDM is awarded a letter grade for each subject, based on his/her performance. Letter grades range from A+ to F. Student who has not completed all the evaluation criteria is given grade I (incomplete) and a student who has failed in a course is given grade F.

Evaluation in MBA Programme is governed by guidelines and rules prescribed by Gujarat Technological University. The Letter grades range from AA to FF and a student who has failed in a course is given grade FF.

LEARNING ENVIRONMENT

- Campus at prime locality and with ease of transportation from every corner of the city.
- Experienced and supportive faculties for the all-round development of Students.
- Interactive classroom sessions with audio visual presentations.
- Well-designed auditorium with capacity of 150 equipped with newer teaching technologies.
- Enriching sessions with student alumni and other business leaders
- Equal emphasis laid on extra-curricular activities and sports.
- Library with vast storage of books of renowned authors of Management and other streams
- Well-guarded campus with Security Guards and 24X7 CCTV Surveillance.

SOM-LALIT ALUMNI ASSOCIATION -SLAA

Since its inception in 1996, our 3000 students of SLERF -Som Lalit Institute of Business Management and Som Lalit Institute of Management Studies situated in diverse geographies of the world and working in different industries have one thing in common – they all have made us proud by being successful in whatever they have endeavored. We firmly believe that the success of the institute also depends on the success of its alumni. To strengthen the bond of the institute with the alumni, SLERF has tied up with AlmaShines- a renowned firm that has interacted with more than 250 Colleges from all tiers to strengthen the institute –alumni network by leveraging technology through the AlmaShines Alumni Portal. The Alumni portal would help our students to stay connected with batch/college mates and the institute.

STUDENT ACTIVITIES

Horizon

Horizon, the annual extravaganza of the college, is the conjunction between the corporate world and students. Aiming to take advantage of the strategic synergies, the students come together, with an attempt to bring the cream of the corporate world on a common platform. This is in view of getting an insight into the various theories and practices that these eminent personalities possess. It is a platform to showcase the experience and skill sets that these business stalwarts have acquired over the years. The student body works extremely hard to provide exceptional management events and informative knowledge sharing sessions which cover a wide range of topics such as marketing, finance, strategy and entrepreneurship. Usually conducted in the first week of January, this event draws attention from various corporate houses and students all over the state thus proclaiming its overwhelming success.

Spectrum

True to its name 'Spectrum', an intercollegiate management event, spreads its rays of vibrance by making it pass through a rigorous evaluation procedure under the critical eyes of judges belonging to renowned academic and corporate background. It is a platform for various B-Schools to participate and win accolades through healthy competition. It helps the students in accomplishing the desired standards in the dynamic corporate world. Aiming to tap the hidden potential and awakening the competitive spirit, Spectrum consists of a series of managerial games designed so as to replicate the actual corporate environment. Events like Biz-Quiz, financial and marketing games which test the management concepts are played with fervour and zeal by students of reputed B-Schools.

Panel discussions, Business Quiz, Entrepreneurship Fest, Industrial and Rural visits, Expert lectures, Debate and social initiatives like Blood donation camp and impactful association with old age home people as well as school students etc. are a glimpse of activities conducted by the institute. Along with participating in activities conducted by the Institute, students also represented the institute in various inter college competitions.

Students Achievements

- 1) Kutbuddin Kanchwala, Bhavika Peswani, Dhara Parekh, Meet Padia and Smruti Desai stood 3rd in Start-up Tank Business Plan Competition organized by CKSVIM along with Merrywood University, Pennsylvania amongst 83 teams on 8th March, 2019 .
- 2) Ayushi Kapila and Nisha Chhabra presented a research paper titled 'Impacts of Demonetization on Indian Economy' in International Conference organized by GLS University on 25th January, 2019.
- 3) Varshil Gandhi and team of won the Gully Cricket tournament held by Rollwala Computer Science College at GU Campus.
- 4) Yogesh Mali, Akesh Mehta, Dharmik Mashiyava, Rutvik Gajjar of won the star prize in business plan competition at Vadodara organized by CKSVIM along with Merrywood University, Pennsylvania on 8th March, 2019 .
- 5) Nemi Chauksi, Tirth Shah, Vraj Marfatia, Rutul Oza, Ranjeet Rajput, Deep Soni and Dhaval Thakkar won the Box Cricket event held at 'Bauddhika 2K19' by Shanti Business School on 9th Feb, 2019.
- 6) Nemi Chauksi, Tirth Shah, Vraj Marfatia, Ranjeet Rajput, Rutul Oza, Pranav Pendse and Dhaval Thakkar got 2nd price in Gully Cricket event held at Shri Chimanbhai Patel Institute of Management and Research on 22nd Feb, 2019.
- 7) Tanvi Mathur, Harnisha Motwani, Priyanka Kataria, Sonali Panchal and Reshma Gandhi, the 'Win it' group, won the best performer award in Entrepreneurship competition 2019.

STUDENT ACTIVITIES

We at Som-Lalit Institute not only believe in academic excellence, but also do motivate and inspire students to gain practical knowledge to enhance their skills and capabilities. The students have brought many accolades to the institute by participating, with enthusiasm and excitement, in Inter College and Intra college events and activities such as Business Quiz, Summer Internship Project Competition, Digital Marketing and Motivational Workshops etc. They also manage different events held at our campus like Horizon and Spectrum. The institute arranges industrial visit to provide the students practical knowledge of their class-room learnings. Our students are not just the new face of excellence and talent for the country, but they also have brought the eternal new phase of glory to the institute.

Former Judge, Supreme Court of India

Towards a Successful Future

SUMMER PLACEMENT

Summer training is a major component of the learning process at our Institute. Every student is required to undergo this training for 6-8 weeks with an organization. On its successful completion, a student is required to make a presentation which is evaluated by the faculty for promotion to the second year.

Each student is required to submit a written report on the work done during the training period to the Institute. Summer training is expected to start by May/June 2020, and complete by the end of June/July 2020. For PGDM and MBA in the evaluation of project, review from organization carries 30% weightage while 70% weightage is given to report preparation and presentation.

Objectives of the summer training are:

1. To provide an opportunity to the students to work in a professional environment and apply the theoretical concepts and techniques to a real-life problem situation.
2. To develop awareness among the students about the organization's problems and prospects.
3. To develop individual skills towards time bound resolution of managerial problems by actual participation.
4. To enable students to realize their strengths / weaknesses and develop skills further on.
5. To provide an opportunity to the students to understand possible career options and enhance their interaction with organization for final placement.

The training enables students to study the organization, its business and the environmental forces acting upon it. They are expected to work on a project or participate in individual/group activities, in solving a given problem of the organization under the guidance of a senior executive of the participating organization. All summer projects are also guided by faculty members of the Institute.

The organization also stands to gain by providing the summer training. Organizations can get variety of activities done e.g., collection of information, processing of the information, analysis of a problem done through a summer trainee. It provides an opportunity to a prospective employer to assess the student for possible future employment.

Placement Procedure for Summer Trainees:

An organization can indicate their interest in providing summer training to the students of our Institute through written or verbal correspondence. It may indicate the details of a specific project, if any, and/or general nature of summer project, along with the types of students required. The Institute will send resumes of the interested students, who qualify to meet the needs of the organization. The organization can make a selection based on the resumes. Organizations are welcome to the Institute for the selection process or can invite students to their offices for the selection procedure.

The organization is expected to communicate to the Institute about the selected student and the details of the project to be undertaken by the student. The organizations may pay a stipend to the trainee and/or reimburse the expenses incurred for the purpose of the project, as per the rules of the organization.
