This fund will be utilized to support the recurring expenses of salary for teaching & non teaching staff that is presently of the tune of 1.5 crore per year. Our institution has made up its mind to support 500 scholarly and needy students for their technical education and appealed to contribute in development of our nation. He kindly requested all the academic leaders of the department to encourage the students to join this drive of raising the BVM Endowment Fund. The support from city meet from Baroda & Surat was very overwhelming and an attempt should be made to reach out all of them who have promised to support the endowment fund. Dr. C L Patel requested alumni to collectively join this mission and actively participate in Annual General Meeting & cooperate as our mother BVM has given us more than what we had desired.
